Internal Audit Terms of Reference

1. Introduction

1. This document defines the roles and arrangements governing the provision of Internal Audit services in OTELP plus operational areas.
2. Internal Audit is an assurance function that provides an independent and objective opinion to the ITDA and PSU on the control environment of the programme comprising internal control, governance by evaluating its effectiveness in achieving the OTELP plus objectives. It objectively examines, evaluates and reports on the adequacy of the control environment as a contribution to the proper economic, efficient and effective use of funds at PSU/ ITDA/VDA/VDC/VLSC/FNGO level.
3. In addition it states that effective Internal Audit services should aspire to :
 - Understand the whole program and its need and objectives.
 - Understand its position with respect to the programs other source of assurance and plan its work accordingly.
 - Add value and assist the programme in achieving its objectives.
 - Be innovative and challenging.
 - Help shape the ethics and standard of the programme.
 - Share best practices with the external auditor.
4. The main aim of Internal Audit work is to provide the ITDA and PSU, an independent and objective assurance and consulting services, evaluate the adequacy and effectiveness of the OTELP plus program's internal controls, operations and governance processes, thus adding value by helping the ITDA and PSU to accomplish OTELP plus objectives.

2. OTELP plus.

It is programme that is being funded by the Government of Orissa (GoO).

Presently, the programme is operational in 5 districts (Namely- Keonjhar, Sambalpur, Sundargarh, Rayagarh & Malkanigiri). The Programme implementation is facilitated by the Integrated Tribal Development Agency (ITDA) and selected FNGOs. The strategic approach is to empower the tribals so as to enhance their food security, increase their incomes and improve their overall quality of life. Towards this end, the tribals are being exposed to more efficient ways of managing natural resources based on the principles of improved watershed management. The tribals have been introduced to newer agricultural practices that are environmentally sound and more productive than traditional methods. In addition, the tribals are involved in off-farm/non-farm enterprise development. The emphasis is on promoting participatory processes, building

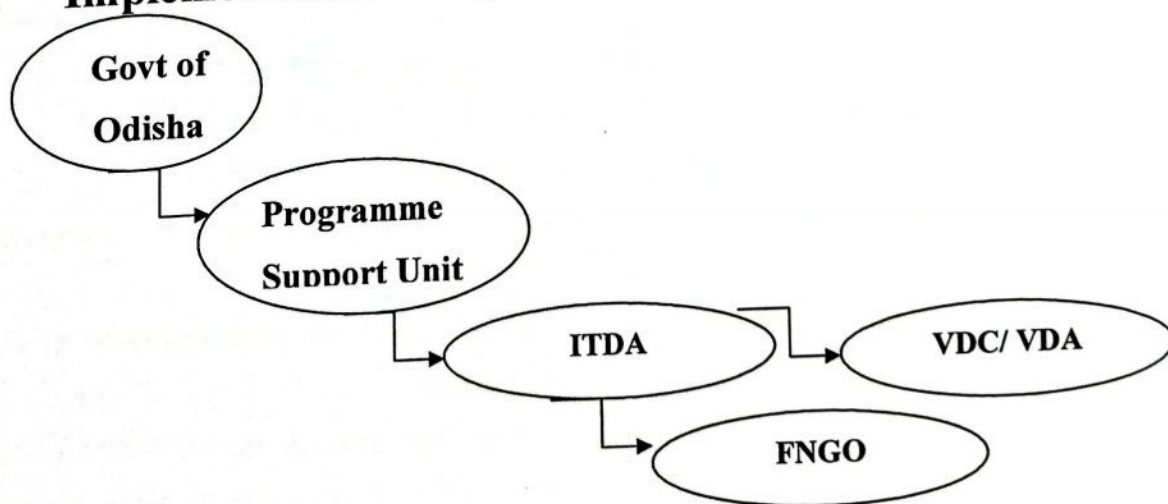

community institutions and fostering self-reliance, while respecting the indigenous knowledge and values of tribals.

3. Role

Internal Audit is an independent and objectives appraisal services within the OTELP programme areas. The governing principles of a project audit are to ensure by professional accountants:

- Provide assurance of accountability
- Give credibility to the financial statements and other management reports
- Identify weakness in the internal controls and financial system
- Verify procurement process and management contracts.
- General conditions require the financial statements including Special Account Statements of Expenditure to be audited according to generally accepted international / national accounting standards.
- General Conditions requires the auditors to address the following:
 - a). Adequacy of accounting and internal control systems to monitor expenditure and other financial transactions.
 - b). Adequacy of accounting and internal control systems of safeguard project assets.
 - c). Adequacy of documentation maintained for relevant transactions.
 - d). To express audit opinions as per ToR
 - e). To identify weaknesses, if any, of internal controls and recommend corrective action.
 - f). To complete the audit process within the stipulated time frame agreed.
 - g). To review the audit reports and satisfy whether these are as per the requirements.

4. Implementation Setup and Flow of Funds:

5. Responsibilities and Objectives:

- 5.1 Funds are released to PIA (VDC/ VDAs) and also the first facilitator (FNGOs at block level) under different components towards achieving the goal of the program.

The Programme Components are:

- i. Capacity Building for Empowerment
- ii. Livelihoods Enhancement
- iii. Development Initiative fund (DIF)
- iv. Programme Management

Major funds are released to spend at VDC/VDA level. Therefore, the Internal Audit should ensure that expenditure are properly booked and accounted for at VDC/VDA/ FNGO level.

- 5.2. Under Land & Water Management most of the works are civil construction which involves wage (Labour) employment. Therefore, the auditor has to ensure that the implementation has been effected by adhering all the formalities under OTELP setup towards the same. e.g, proper resolution which should be duly signed by two third majority of the beneficiaries at village level for undertaking any sort of activity under that component, followed by proper estimation of the works with measurement, check measurement and cross check, also technical sanction and administrative approval from ITDA level. Case records are one of the most important document maintained which includes entries towards payments & food component. It should also be ensured that the same expenditure has been approved at the Village Level Social & Financial Audit Sub- committee.
- 5.3. Similarly, under Capacity Building, during cross checking of bills and vouchers, it is to be ensured by the Internal Auditor, that the training programme has been scheduled and organised as per the approved AWPB for that year, i.e qualitative in all respect and properly documented.
- 5.4. It is to be ensured by the Internal Auditor that all purchases has been made as per OTELP /IFAD procurement guidelines by abiding all legal and tax compliances.
- 5.5. All materials and labour payments should be properly approved by resolution at VDC/ VDAs level and as per their AWPB and also as per the VDLP. The internal audit should verify the same.
- 5.6. It is to be observed by the internal auditors that financial statements are prepared according to the prescribed accounting standards.
- 5.7. It is to ensure by the Internal Auditors that every month the banks Reconciliation Statements are being prepared.
- 5.8. It is to ensure that all prescribed books of accounts are being regularly updated, which should be supported by proper vouchers & documents

- 5.9. It is to ensure that the individual component wise expenditures aggregating to the totals reflected in the UC/SoEs are properly approved, classified, supported by documentary evidence.
- 5.10. Under administrative head of both FNGOs and VDC/ VDAs, it is to be cross checked that the expenditures are not over and above the standard unit cost fixed under that sub-component.
- 5.11. At present at FNGO level under the head of FNGO implementation cost the standard rate fixed under different sub-components are:
